You are Supernatural - Make This The Greatest Year of Your Life
I am committed to helping people all over the world to make 2019 the greatest year of their life.

Healing minds and bodies

Live in the abundance Our Father has already given us

Remove feelings of guilt/shame/ and live in loving relationships.

It won’t come by religious activities...and letting life “happen to us as victims.” It will come by tapping into our divinity and healing our hearts and minds.

Dr. Joe Dispenza, Becoming Supernatural (p.78)
John 16:24 Until now you’ve not been bold enough to ask the Father for a single thing in my name, but now you can ask, and keep on asking him! And you can be sure that you’ll receive what you ask for, and your joy will have no limits!

Philippians 4:4  (TPT) Be cheerful with joyous celebration in every season of life. Let joy overflow, for you are united with the Anointed One! 5 Let gentleness be seen in every relationship, for our Lord is ever near.

6 Don’t be pulled in different directions or worried about a thing. Be saturated in prayer throughout each day, offering your faith-filled requests before God with overflowing gratitude. Tell him every detail of your life, 7 then God’s wonderful peace that transcends human understanding, will make the answers known to you through Jesus Christ. 8 So keep your thoughts continually fixed on all that is authentic and real, honorable and admirable, beautiful and respectful, pure and holy, merciful and kind.
You can change every area of your life in 2019, but it will require us to change our old thoughts and feelings (old man living by the senses) and tap into our divine nature.

We are One with the Anointed One. We carry divinity in the flesh.

“All things are possible to Him who believes.” What do you want to change in your life in 2019?

Mental Health or Physical Health? What do you desire your health to look like and how would you feel if you were healed?

Lack of value/love in relationships? What would you like your relationship to look like? What would it feel like in your ideal relationship?

Lack of abundance? What would abundance look like for you? How would you feel with unlimited abundance?
