Child Restored After Being Struck by Vehicle

I am a police officer in northern Colorado. The other day I was sent to a call where a 4 year old was ran over by a car in a parking lot. The person driving felt a bump, and was positive she went over him. The boy was also knocked unconscious from the accident. When I arrived, I saw the boy on the gurney being wheeled to the ambulance. I walked along the gurney, reached out and touched the boy's hand. I said, "You are made whole in the mighty name of Jesus!" I walked to the side door of the ambulance and stepped inside. The boy was talking and was in no pain, there was even a black tire mark on his left leg. The boy was transported to the hospital and a short time later, I received a message saying the only injury found on the boy was a small scratch on his leg and a small bump on his head. There was no explanation for the boy being unconscious and he was released from the hospital within an hour of arriving! Thank you Father for supernatural healing!

God Meets Every Need

Let me begin by my meeting at Kurt and Katie's house on September 7th and had the honor of meeting Pastors Mike and Barb! At this time I have been fighting against the state for a bed for my daughter. I have also been taking Mikayla to a doctor regarding her hips as the doctors here wanted to do surgery. I didn't want it as it is a MAJOR surgery. My son and I praised in the morning for healing and at night for Mikayla. Sept 18th which was a Tuesday, I was denied once again for my daughters bed. I just didn't understand. I texted Pastor Mike on Wednesday and he responds "IN JESUS NAME GOD IS YOUR SOURCE NOT THE STATE, HE WILL MAKE SURE YOU GET THE BED IN JESUS NAME." On Friday a class mate came to my work and gave \$100.00 and told me to go to the bank and open an account for Mikayla's Bed. She got on Facebook and started the ball rolling. Monday, I had a doctor appointment for Mikayla to see a specialist for her hips. On the way to the doctor it is a 4 1/2 hour drive and I praised and praised for healing. We got there did some new x-rays and you know what NO SURGERY NEEDED!!!! Praise God and thank you Jesus. On Tuesday, I am back at work soaking in all this joy and mercy, I go to the mail box and I started opening envelopes and I received \$2050.00 in donations for Mikayla's bed. Praise God. As the days have progressed I have been blessed with more gifts. Eventually, I had \$8900! That was \$400 dollars more than I needed! I called the company to let them know that I had the money, they then told me that they wanted to donate the lift! I am here to tell you God is GOOD!!!!

Pain Totally Gone

This morning a woman came in with pain all over her body. The Holy Spirit showed me she had rot in her bones because of wrong thoughts, imaginations, and words. I ministered to her to repent and reverse those in Jesus name. All her pain left within the hour and she left rejoicing! Praise God for his love and goodness and thank you for this grace and teaching!

God Meets Every Need

I prayed for a job and got one! Now we know as the world sees the job market, that was a miracle! OH the favor we have! I got the first job I applied for since starting three weeks ago! The best part is that God has used me to share the gospel with all of my fellow co-workers! God is SO good!!!

Divine Healing

Today I woke up to find out my four year old nephew had come down with the flu. He was vomiting, all he could do was lay there and be miserable. Shortly after finding out of his sickness I anointed his forehead with oil and said, "In Jesus name you are healed," within minutes he perked up a little. Less than two hours later he wasn't showing any signs of being sick. He got an endless appetite, running around, laughing, being his normal self again. Praise God!

Divine Healing from Shingles

About four months ago, my niece had shingles very badly, and it was very painful for her. They finally went away until two weeks ago, when they started to come back. She showed me where it was starting to break out again, and I said “lets pray”. We prayed in the name of Jesus, the name above shingles that this goes away in Jesus name! Later, it was completely gone, and there was NO sign of the shingles. I have been witnessing to my niece for months, and I thank the Lord because she has since received Jesus as her savior!! She is growing strong in the Lord, every day!

God Intervenes in Praise

My sister has been engaged in a very lengthy lawsuit. It has certainly taken its toll on her. The other day she called me and began speaking to me about the lawsuit. I was asking her some questions (has she prayed, sought the Lord about what to do ect...), then I was reminded about praising! Pastor Mike has been challenging us to Praise the Lord when things in life come up instead of praying. I then told my sister, “Have you praised the Lord yet, because He will inhabit your praise and I know he will intervene”. She said that she hadn’t tried it, but whenever she hangs up she will try it. Glory to God, five hours later she called me, and excitedly told me that the lawyers from each side were talking to each other, and the other lady’s lawyer is pulling out of the case! The lawyer said, I know my client is lying! God intervened in Praise, and to Him alone be so much the Glory!

Wound Completely Healed

When I started the fellowship with the Shannon's, I had an open wound in my head that I had for a year due to skin cancer. I put anointing oil on it and it closed up! I give all glory to God!

Healed in Jesus Name

Last Friday during our fellowship my knee started to hurt, I sat down and noticed it began swelling around the knee cap a bit. After the fellowship it seemed to get more and more stiff. At this point, I had fear because I had a history of frozen joints. A year ago my shoulder was frozen for 40 plus days, so it was hard to focus on anything else. I sat down to dinner and when I tried to get up I could not bend it or straighten it all the way. It was locked up. At this point I asked Kurt to get the oil and come into agreement with me over it. I laid down and placed the mantel on it and we anointed it. Saturday morning I was hurting more than before, came home rested and held onto the power in Jesus name. That evening Kurt said this is enough! He took total authority over it, and commanded that by Sunday morning it would be restored in Jesus name. Sunday I woke up with full range of motion, all the swelling gone! Thank you Jesus for your blood, to God goes all the glory

Supernatural Supply

At my job, I have made more money in the past 90 days than the 8 months previous combined. On our team of people in the Colorado Springs office, I have been outperforming others by 5x on a monthly basis. Praise God!!! The anointing is peculiar thing!

The Anointing Brings Favor

Praise God as he continues to do exceedingly and abundantly above all we could ever ask! Back in July, God blessed me with a marketing contract to provide for financial needs that we had at that time. Grateful and content with this opportunity, I did not seek any other opportunities. Then I received an email from one of the top ministries in the world asking me to apply for an open marketing position. Content with my current situation, I did not respond to the request for weeks. Then they called me asking me to apply. Dave and I came into agreement that I was to apply. After applying, I was quickly ushered through the application process and they offered me the position with a salary 13% more than what was advertised and the flexibility to work from home one day a week to honor my commitment to our marriage and our business. Praise God that He brings the increase!

Divine Protection By the Anointing

My wife was stopped at a red light when she felt a slight bump and heard a loud noise. She immediately realized that someone had ran into her from behind. As she got out of the car to inspect the damage, she noticed that there was not a scratch on our vehicle; however, the other car was in very poor condition.

We are anointed, along with our property, so there was no way that our vehicle was going to be damaged or that any harm was going to happen to our person.

Praise God for the anointing and his supernatural protection.

Healing by the Oil

Yesterday, I was grilling outside and I burned my thumb. I put ice on it, and the pain would not go away. I put oil on my thumb and within one minute the pain was completey gone! I give all glory to God!

Lost Items Restored

My son lost his important school folder. We prayed in the morning on the way to school and I had him anoint himself with oil. He said he didn't know what he would do if he didn't find the folder since it had multiple papers for different classes. I said, "WHEN you find it, text me." I got a call at 10:30am and he was happy to have found the folder in one of his classrooms. Thank you Jesus.

Praise God For Dominion

My son and I have a mowing business that we have been doing over the summer. On mowing day, the skies threatened rain and lightning was flashing across the skies. I commanded the weather, in Jesus' name, to hold off until all our work was done and that the sun would come out. Within about 10 minutes the sun came out, raindrops stopped and we completed our work on time. This has happened many weeks in a row. Praise God that He gives us dominion!! Praise God dominion is our portion and our responsibility!

The Anointing Covers All

God healed a woman of very intense, sharp shoulder pain yesterday. She couldn't even begin to do a pushup because of pain since we met her 3 weeks ago, we prayed yesterday and she was knocking them out no problem! She was shocked and praising God!

His Favor Follows Me Everywhere I Go

Last week Pastor Mike prayed for people who needed a job. My daughter was at church, and she was really needing a job. She didn't go up for prayer, but she received it all the same. Monday morning, a girl that she used to work with called her, and said that a law firm had contacted the office and asked for my daughter by name! They have hired my daughter and offered her more than her last job! I give God all the glory!

Testimony from Canaanland

On Saturday 21st of January, after the home cell, I drove by to see a friend in Gwarinpa and leaving the place I discovered my car was stolen. So, I called the former Resident Pastor here, he prayed and said there shall be a speedy recovery. On Sunday, I said I will see our Resident Pastor but he had a meeting with the home cell operators then that afternoon a brother gave me his number then I called him, he prayed with me and I believed. On Wednesday, we had a service here and Bishop said for God to show up on our behalf, we should make a vow, so I made a vow that I will come and testify to the Lord on Sunday. On Thursday, I boarded a taxi from Galadinma going towards 3rd avenue, I saw the car parked and I was surprised. Immediately, I called the Police, they came we went to the station and it was settled. To God alone be all the glory

God has been faithful. I moved to Abuja in March for a new Job. In my 3rd month, I was promoted to Supervisor, in my 6th month, I was promoted again to Manager then people started to talk and gossip that I must be dating someone in the company for me to grow this quickly. I kept praying to God and fasting and continued the act even during the 21 days fasting, I reluctantly wrote down “PROMOTION” in my prayer request as I thought that was all. God surprised me by making me the head of a new department in the company.
