Cancer Dried Up in Jesus Name

I had a slow-growing tumor on the right side of my back (between my shoulder blades) for several years. All the doctors told me it was a benign lipoma. It began to grow bigger. Within two weeks of noticing that, another tumor came up on the right side of my rib cage. An ultrasound showed the new one to likely be the lipoma, but the older one could not be characterized. Instead of doing a biopsy, I pushed for a surgical referral. After months of back and forth with Veterans Administration doctors, they just could not make a decision, yet the tumors got bigger. I asked to be anointed and to be prayed for at the House Fellowship. After that, two things immediately followed. First, a decision to do the surgery was reached (a miracle in itself). Second, when I went for surgery, the newer tumor had completely disappeared! It was just gone! They had two doctors look for and it, neither could find it. Then, the one they removed was benign in appearance. I know it will be benign on the pathology report too because nothing is stronger than the power of God Himself! My fellow believers prayed and the prayers were answered! I give all glory to God!

Divine Healing

When I was in high school I started experiencing frequent and random fainting spells. I visited a dozen different specialists and had dozens of tests done, all of which left me with no answers. In 2006 my cardiologist attributed my condition to a heart deformity and I underwent surgery to correct it. Convinced that the problem was taken care of, I was devastated when I started blacking out again a couple months later. At this point, my doctors completely wrote me off, telling me that they couldn't explain my situation, and that one day I might just "Grow out of it". Until last week, this situation has had complete control over my life. Then, last week, for the first time in months, I had an episode. I woke up in the middle of the night to feed my baby and in the hallway, I fell to the floor. In a daze, I remember thinking "This can't happen, I AM healed!". All of a sudden I felt fine. The next night, I again woke up to feed my baby and started feeling really dizzy. This time I just started laughing. I found the thought of the enemy trying to hold this over my head any longer, hilarious! I kept walking, and laughing, and all symptoms went away. This curse, and the enemy are under my feet! Thank you Father!

Delivered from Addiction

I have attended many churches but have never heard the truth that could set me free. I suffered a lot during my 23 years of smoking and lost many things in the process. I not only lost money, but I also lost my personality. I even swore to God that I will not smoke again, but I ended up smoking the very next day! My constant failures to quit smoking became an open door for condemnation. I cannot stop giving thanks to God and to the gospel of grace. After I received the revelation on the power of the Holy Communion, I started to partake of the Holy Communion at home. Within a week, I lost the desire to smoke without realizing when and how! That is definitely God! After God removed my desire to smoke, I even forgot the location of the shops where I used to buy my cigarettes and matches! I cannot even feel its traces! By grace, I even passed by one of the shops the other day, and instead of buying cigarettes, I bought bread for Holy Communion instead. Praise God!

Divine Marriage Restoration

I received a call from my father earlier in the year 2012. He told me his wife had divorced him and moved out. Over the course of about eight months he pursued her, trying to restore the relationship. At the end of eight months she finally said never contact me again. I don't want you to call me, write me and I never want to see you again. It looked hopeless, but Jesus' name is above every name including divorce! Days after she said never contact me again, dad came here to Colorado and told pastor Mike "I need a miracle". We serve a miracle working God and it is never hopeless because He is our hope! Pastor Mike prayed over the situation, days later her heart was returned to her husband. A week later they were remarried and have never been so in love. They are completely new people totally renewed and restored! Hallelujah!

Divine Guidance in Business

Amen! Sweatless victory! I bought stock options 26hrs ago and just sold them for a 400% gain. I haven't traded in a couple years but recently had a desire to as I listened to Pastor Mike preach and read Bishop Oyedopos books. I almost sold this morning at one point but wasn't happy with the gain. I was tempted to sell because the stock was going down. I said no, I will ask the Holy Spirit whether to hold or sell and heard hold. So I did. I got up and walked away relaxed and said, Lord just tell me when to sell. Within 15 minutes it reversed and went way up. I sold a couple of hrs later for a profit that made me happy! Thank God for sweatless victory!

Supernatural Deliverance

Two young women came to our fellowship, one of them had just been prayed for by a ministry in Greeley for deliverance. She came to witness to her friend, and told her she could be free. We had been praying for her friend to come to the Lord, so the two of them showed up for prayer. We prayed at our fellowship for them to be delivered. Glory to God she was set free! The power of God was on her! They are growing in the Lord, and are committed to serving a ministry in Greeley! Praise the Lord!

Supernatural Debt Cancellation

To God be the glory! I've been working with my mortgage companies for two years to modify my first and second loans and haven't made much progress. The last couple of weeks I've been resting in Jesus's unmerited favor and love according to Pastor Mike's teaching. Last week, the modification on the first loan was suddenly approved and then this week I received a letter from the company about my second mortgage. They decided, on their own, to cancel the entire amount of over 69k and I owe them nothing. Thank you Jesus!

Divine Protection

Friday night after we left Fellowship, I texted a friend of mine, who was at work in Whitefish to let them know about the snow and road conditions. I told my friend to open his heart, read and believe. "I will drive safely home with the protection of the Holy Spirit in Jesus mighty name. Amen Amen Amen" I spoke to my friend today, it took over an hour to drive from Whitefish to Kalispell that night. My friend said there were vehicles passing him and down the road a few miles, he would see these people in the ditch. My friend witnessed a person doing a complete circle on the road in front of him. He told me, he now believes there is a God.

Released from Prison by the Anointing

I have a friend from childhood whose father has been in prison for many years. In the last few years he's had two parole hearings, both times his parole was denied by the judge with no specified reasoning. Not too long ago it was brought to my attention that he would be granted another hearing, to take place at the end of this year. I spoke with pastor mike, and he recorded a prayer via voicemail that was forwarded to my friend and his father. That same day I anointed his picture and spent the day praising God for His true grace. I found out on Friday that he had finally been approved for parole, and after 16 years, he's scheduled to be released in May!

Healing by the Anointing Oil

A few times over the last year and a half I have experienced extreme pain and other symptoms related to an ulcer. Last Friday, my symptoms came back and I was in horrible pain. After about an hour, the Holy Spirit told me to drink a capful of anointing oil. As soon as I did, the pain was completely gone!
