

The Key to Success and Health is Spiritual, Not Physical

“Virtually every problem or lack of happiness and success comes from an internal state of fear in some form—even physical problems. And every internal state of fear results from a deficit of love in relation to that particular issue.”

(The Love Code Page 8)

Our subconscious and unconscious attitudes are literally a million times stronger than the conscious mind...

In other words, what you believe in your heart is a million times more powerful than your head and willpower.

3 John 2: Beloved, I wish above all things that thou mayest prosper and be in health, even as thy **soul** prospereth.

Soul – Strong's 5590 – psuche'

1. The breath of life; the vital force which animates the body
2. The soul, the seat of the feelings, desires, affections, aversions (our soul, heart)

There are two forces that animate: love, fear

When we want something to change, we need to reprogram our heart with the gospel

All religious teaching directly contradicts

Colossians 2:8 Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.

9 For in him dwelleth all the fulness of the Godhead bodily.

10 And ye are complete in him, which is the head of all principality and power

Love is the source of peace, joy, success, physical health and successful relationships

If you constantly experience fear, worry, anger, lack of success, failed relationships...your heart has been programmed with wrong information

What do you fear more than anything right now?

Ask the Father to heal your heart and mind in that area.

Psalm 46:1 God is our refuge and strength, a very present help in trouble
