

# How To Pray When Things Seem Difficult or Impossible

**Realize you are divine, you are noble, you are a King, you are a perfectly loved Son/Daughter of The Father, you are a joint-heir of Christ...so you don't have to accept things as they are.**

**There are no impossibilities with God...and the tabernacle that houses His power, His creativity, His unlimited love and anointing is within you.**

**So successful prayer when things are difficult or impossible is within...**

**Gen 3:24 tells us God preserved the way to the Garden of Eden (luxury, dainty, delight) between the Cherubim.**

**Ayin – to see, Dalet – Door or pathway, Nun-life**

**What you see between the cherubim is the doorway to luxury, delight and life**

You are not limited by your current circumstances. The Kingdom and the unlimited love and power of God are within – so decide how you would like life to be and get a clear picture in your minds eye.

How would it feel if what you pictured was real?

**Romans 4:17** “God calls things that are not seen as though they were, and the unseen becomes seen.”

You can move in and out of any situation by changing what you focus on. You can't fail when you understand that what you see and feel within is true. It is God Himself bringing it to pass. That is the key to successful prayer.
