

The Seed Carries the
Omnipotence of God and
Produces on Its Own

Jesus tells us the Kingdom of God is in us, not outside of us. (Luke 17:21). So any prayer is not to a distant God but must happen inside of us. And all things are possible to him who believes. Mark 9:23

Matthew 13:31 “The kingdom of heaven is like a mustard seed, which a man took and planted in his field. ³² Though it is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree, so that the birds come and perch in its branches.”

Mark 4: Jesus explains the parable of the sower to the disciples and says you will understand every parable if you understand this parable. Whatever seeds you plant in your heart will produce on its own, we go to sleep and let the seed do it all on its own.

The Hebrew word for imagination is “potter.”

Gen 2:7 Then the LORD God formed (yatsar – to form or fashion,, potter’s authority over the clay) man of dust

Yod (hand,work) Tsade (man lies on side/desire) Resh (head)

Your imagination forms and fashions the earth like a potter by the work of man’s head laying down.

So how does the Kingdom of God work?

Create an image in your mind, it may seem like you have nothing, no capital, no connections, no education...but like a mustard seed, that thought planted in your heart will produce a harvest all by itself.

Decide exactly how you would like your life to look. Let your imagination run free, and don't pay attention to how or where it is going to come from. The seed itself has everything it needs to produce the harvest. You can't add to the omnipotent power of God.

As you go to sleep and rise, see what you desire in your minds eye. You don't need any external evidence. But the seed itself contains the power of God and will produce on its own. He came to give us life, and life more abundantly. This is receiving all of the glorious splendor the Father has freely given all of us.
